

Topmatic Perfect MACHINE WAREWASHING DETERGENT

Topmatic Perfect is highly concentrated and without phosphate and chlorine. **Topmatic Perfect** contains ingredients that remove heavy soil and thus guarantees one-pass cleaning results. This saves time and also reduces the consumption of energy and water. The Ecodos L dosing system controls your warewashing operation and influences the most critical factors to save valuable resources like water and energy.

Application area: For all tableware such as porcelain, glass, plastic and stainless steel.

■ **Performance:** Guarantees one-pass cleaning results, eliminating the need to rewash dishes.

■ **Efficiency:** Heavy duty warewashing detergent, removes even the toughest soils.

USE INSTRUCTIONS

FOR USE WITH ECOLAB DOSING UNIT

Your Ecolab specialist will adjust the dosing system for your specific cleaning needs.

- 1 Check hygiene plan and product label for detailed use information.
- 2 Wear suitable protective clothing when handling the product.
- 3 If the alarm sounds, stop the machine and replace the empty can.

If "empty product" warning device is not installed, check detergent level regularly and change bottles when necessary.

SPECIAL NOTES / INFORMATION

Before first use of a new product type, always rinse dosing line and suction pipe with clean water to avoid possible crystallization in the tubes caused by mixing of incompatible products.

To achieve the best hygienic results, please also use Ecolab rinse additive.

Do not use on aluminium and other soft metals.

For professional use only!

SAFETY INFORMATION

Do not mix with any other products!

For further information and safety instructions, see product label and safety data sheet.

STORAGE CONDITIONS

Store between 0 °C and 40 °C in original closed container only.
